

CADS Parties

Let's party with Seashell Active

Seashell's fully accessible facilities are the perfect venue for all your party needs.

Climbing Parties

Our climbing wall provides an exciting experience in a safe environment. Parties include use of our climbing wall and sports hall with the supervision of two qualified instructors. The instructors will meet your group and teach them to climb safely on our wall. The wall has accessible climbing harnesses for wheelchair users so that everyone can have a go at climbing the wall.

Swimming Parties

Swimming Pool parties are supervised by qualified lifeguards who can provide toys, floats and music to make your party fun.

Seashell is the perfect location and the pool will be booked exclusively to your group. The pool has both individual and shared changing areas, changing beds, shower chairs, gradual steps and chair and sling hoists for disabled pool access.

Multi Sports Parties

This party is aimed at children who love various different sports activities. Choose from different activities to enjoy. Why not try football, soft play, tennis and more. Ask the Seashell Active Team for multi-sport party options.
