

## Accessibility Statement

Seashell is committed to providing a website that is accessible to the widest possible audience, regardless of technology or ability.

We are actively working to increase the accessibility and usability of our website and in doing so strive to adhere to many of the available standards and guidelines.

[Zooming](#) – by pressing 'Ctrl' and '+' or 'Ctrl' and '-' on the keyboard you can zoom into the webpage, making the font and images bigger. You can also zoom within the settings of your preferred web browser.

[Voice recognition](#) – you can use your voice to access your computer, open programmes and perform other tasks. You can find voice recognition within your computers' settings.

[Screen readers](#) – screen readers are useful if you cannot see the screen, they will read out text on the screen. These can also be found in your computer settings or there are downloadable versions.

There are also other downloadable options available.

[Ability Net](#) – you can use your voice to access your computer, open programmes and perform other tasks. You can find voice recognition within your computers' settings.

[Apple Accessibility](#) – you can use your voice to access your computer, open programmes and perform other tasks. You can find voice recognition within your computers' settings.

If you experience any difficulty using the Seashell website please email [info@seashelltrust.org.uk](mailto:info@seashelltrust.org.uk) and we will be happy to help.
